

Attendance List: JA, EC, TG, SC, FP

Previous events:

- Minecraft
 - Cringe, I'm too OP. CTW needs some tweaks for smaller groups.
- Lab improvement
 - Almost done with the print server. Pull request submitted. Cyan toner replaced.
- Tech Seminar
 - Yay, new person!
 - Failed to advertise effectively.
- CIFsgiving
 - Similar attendance to last year
 - It went well, and got a little messy.

Future Events

- Minecraft Night during the break.

Other

- We need more cyan toner
 - It was replaced at some point.
- Kind of concerning that we don't have nominations for junior tech but we'd probably need to approach one of the freshmen and ask them to run

Responsibilities

- Tristan: could you forward winter all of the emails you sent to Lindsey about housing?
- Jack: Update the PP sheet, Request reimbursements for cookware and turkey.
Transaction proposal for BGN 4. Transaction proposal for don't freeze and email Ari to reserve.
