

Attendance

- Rory Brennan-Jones
- Jacob “Hat Jacob” Greenberg
- Saul Cardona
- Matt Jones
- Sam White
- Ehren Collins
- Leo Leider
- Joshua Schiavi
- Krish Jain

Participation point sheet

- Matt Jones has been very busy with midterms, so he has not finished the participation point sheet yet

Past events

- Halloween board game night
 - Went well
 - 15 people attended, including a graduate student
 - Theories on why it went well
 - Advertised with food
 - The Halloween season
 - Having a theme
 - Decorations

Tech

- Website is being developed

Voting

- 12 on-floor

Floor meeting

- Remind people to vote
 - If more than 12 people are in the room, point out that someone present has not voted
- Announce upcoming events
 - Announce Don't Freeze happening on Nov 5 night
 - Announce VGDC collab on Nov 8

- Wait to announce these things (don't announce!)
 - Announce public domain movie night happening on Nov 14 (problem: at the same time as OBOC night)
 - Announce tech seminar on Nov 15
- Gauge interest for gaming night idea (lethal company)

Matt Jones and his meeting with Ryan

- Add anything here if you think of suggestions

Rory Brennan-Jones and his meeting with Madison

- Add anything here if you think of suggestions

CIFsgiving preparation

- We need to get someone to cook the turkey
- We will create a spreadsheet for the event for people to document what food they are brining

VGDC Collab

- Saturday 11/8/2025 2pm-5pm Rettner 201
- We should check with VGDC to see if they have created posters / marketing

Upcoming tech seminar

- Last tech seminar of the semester
- Speaker: Ehren Collins
- Topic: AI essentials
- Date: November 15
- Time: 2pm-3pm
- Room: Genesee 325

Tech Check Newsletter

- Idea: we could include a spotlight for a regular member of CIF who is accomplished
- Yep. We're working on it :)
