Dues

- We are past the deadline
- An on-floor member, Ameya, has not paid his dues yet
- We don't want to kick him off floor, but if he doesn't pay then we don't have a choice
- He has been emailed, he has been reminded in-person
- He has been given everything he needed to know to pay
- Ehren has offered to pay his dues in cash via Zelle transfer, but Ameya has not gone through with a Zelle transfer yet
- As an organization, we have done everything we can for Ameya

- We might have to recommend Ameya to be moved off-floor

Questions for Ryan

- Ehren sent an email to Ryan to acquire a list of alumni, but Ryan has not yet provided us with such a list

Technical

- Future tech directors: do not store servers on the exterior wall
 - There has been water damage there in the past

Floor meetings

- No floor meeting next week because of fall break
 - Ehren and Matt will not be on-campus
- Next floor meeting will be on the 19th
 - We should start voting then
