Recruitment and summer plans

- Meetings on weekends
- Meetings tentatively scheduled every 3 weeks starting May 18th
- The YMCA parody song I wrote has been rejected by the board. Future parody songs have been ruled out.
- Recruitment video next semester with help from URTV
 - "True tales / horror stories from the housing lottery"
 - Get them from people so we can reenact them on video

End of semester tasks/events

- There are no more official events this semester, except for moving day on May 3
- Dumpster diving
- Unofficial, off-the-books "senior night" happening during finals
 - Legally a study break
 - Costs paid with Fenway's declining and not CIF's budget
- Unofficial board hangout 1 week from now, will have cookies
- Print J.A.'s Naticock award paper thing once yellow toner arrives

Website

- We need to make a website over the summer
- Matt Jones will work on this
- Rory might help also?

Tech Directors

- Contact URMIC's IT department
- Contact Xavier from IT
- Contact CIRC?

Furniture

- Ask Reslife if we can keep the old furniture since they are replacing the furniture

Moving

- If Matt Jones finds belongings in the lab by May 12, he will make it Reslife's problem

Kestorage System (project for next semester)

- Inventory system to catalog all of CIF's lab possessions
- Put a QR code on each CIF object?
- Don't write it in COBOL
