Housing Situation and Recruitment:

- We need to send out housing instructions tomorrow because Krish keeps DM'ing me - Rory
- Potential member Ji Ling wants to live in suite with friends, but housing lottery is going bad, so they are panicking and we are the alternative
- 2 people confirmed, meaning that we can put them in our last double in the 2 suite plan
- If we get enough people, we can revert to the old 3 suite plan, put Sam, Kenneth, Erman, and Ameya in singles, and use the new people to fill all remaining spots
- Ehren and Matt know more about this thing than I do — Rory
- 2 or fewer people? 2 suites. 4 or more people? 3 suits. 3 people? Iffy.
- It sounds like we are getting 4 people
