April 26th, 2026

Anderson Tower, Floor 3.

- Attendance
 - Ehren
 - Sam
 - Leo
 - Matt
 - Hat Jacob
- Past Events
 - Open Lab
 - It sure did happen. Nothing special, people showed up.
 - Maul: Shadow Lord Showing.
 - There are “two” more left, one this week, “one” unofficially next week.
 - Drama House
 - It was quite small, but overall went fine.
 - Drama House people and CIF people really didn’t intermingle.
 - And, indeed, many CIF people did not show up.
 - Tech-wise, it went pretty well.
 - Secondary CRT was quite fun, as was the secondary large projector.
 - The cart is on its last “wheels”
 - It’s bowing, and the CRT really didn’t do it any favors.
 - If we are doing something similar in the future...
 - There needs to be some draw for our members to actually get out of Anderson.
 - A tournament-style thing could be fun, since they kind of force people to intermingle and interact.
- Upcoming Events
 - S’mores Night
 - The reservation has been submitted, but has not been “confirmed” as of yet.
 - The fire permit was approved, which is pretty cool!
 - The RA moved the floor meeting to accommodate people.
- Nauticock.
 - A voting form was never made, so we’ll send it out soon.
 - As in Matt is making it now, and will send it out as soon as it has been sent.

work.

 - Eora (Old projector computer) is being transitioned into being a server.

- MATT PLEASE REIMBURSE US
 - Matt is aware, he's been "rammed" this week, for some reason.
 - Something about a research paper, kind of concerning if you ask me.
 - The forms will be filled out before the end of the week.
