      - Hat Jacob
      - Ehren showed up at 8:50
        - For shame. \*Rings the shame bell\*
    - Day 2, February 9th, 2026
      - No one took record for the addendum meeting, and not much was discussed.
  - Past Events
    - Open Lab
      - New people were there!
      - Fixed Makers' Minecraft server
    - Video Game Night
      - Went pretty well!
      - Mario Party was fun.
    - GIM :(ul style="list-style-type: none;">    - Nothing happened at the GIM.
      - It was cold so no one showed up.
  - Linux tech seminar
    - Four people attended.
    - Tech Seminarng.
- Upcoming Events
  - Open Lab
    - [todo.cif.rochester.edu](http://todo.cif.rochester.edu)
    - Pick something from there to do, include new members, etc.
      - This can honestly be a this week thing, or a whenever thing We'll see.
  - Potential Gamedle night?
    - Wordle, but with Games!
    - Thought it could be interesting.
  - Floor Olympics.
    - Roll down hill squigly?
    - Sledding on a hill with an opteron.
    - Coding challenges?
    - Tim proposed it, and wants to iron out details.

- New Poster!
  - Due to GIM happenings, decided it was best to have a poster be made to advertise CIF to the general populace– perhaps even make it digital signage.
  - Tim is on it.
- ~Ooooo~ Fill out the SIMCON Event Registration form ~Oooooooo~
  - Do it. Please, for my sanity, if nothing else. FILL OUT THE FORM.
  - There is a theme on ghosts, etc, but it is very much not required.
  - Phasmophobia, Lethal Company,
  - Draft an event name AND an event description in the meeting
    - We think we did everything but the description and the title.
    - Tabled to extension meeting. (Monday)
- Tech Check
  - Materials due Monday at 11:59 pm. Fill out the information and put together a CIF spotlight DURING the meeting. Information can be found in the Tech Check folder shared with CIF
    - Talk about Ehren's AI stuff.
      - The general consensus was to talk about Ehren between Sam, Tim, and Myself.
      - We will talk with him and force an overview of his projects out of him, even if it involves death.
        - Ehren said yes. :) )
- Technolmology updates.
  - Ye'Haw Partner!
  - Tau is still weird.
    - We're working on fixing it, but it could be hardware related.
  - [lal.cif.rochester.edu](http://lal.cif.rochester.edu) exits.
    - Plan to integrate this with the NFS drives.
      - Kind of but yeah.
  - Makers' minecraft server had problems, but it was fixed.
    - There was a mod incompatibility between C2ME and a portal mod.
    - We're going to upgrade them from 2 GB to 8 GB, since it seems like they need it.
  - Newsletter plugin on the website.
- Collabs
  - Drama House
    - No news - need to follow up
  - SigEp
    - No news - need to follow up
  - ResLife's SIH event - Tea Time?
    - The presidents wanted to do a tea time for the SIH event
    - Very much theoretical. No real planning has been done
- Merch
  - Shirts?
    - We can do Green shirt, CIF logo, and year, as we have done in the past.

- Perhaps even the old style terminal shirt.
      - General consensus to prefer the just CIF logo one.
    - Thinking of ordering 50?
      - This seems high, but it is the limit to when clothing becomes 12 dollars per shirt, instead of higher.
      - We can sell them to people.
      - If we don't have years, we can sell it for multiple years.
    - Get interest in who would want a shirt.
    - Get a real price breakdown.
- Advertising - start advertising to classes
  - CSC 171,172,173
  - MATH 150
  - If Jacob is on good terms with some professors, possibly EE or ECE classes?
    - ECE 101, 113, 114 in fall
    - ECE 112, 114 in Spring.
  - From what we remember, Ehren seemed interested in this, but is not here at the moment, so discussion was tabled to the extension meeting.
- Floor meeting
  - Recent events happened
    - Video Game Night was fun, people went
      - Wario Lost : (
      - Ehren got last.
      - Sam swears that he waggled his wii-mote more.
    - Open lab also happened
  - We're thinking of having shirts made!
    - Be on the lookout for more information for costs and designs, etc.
  - Discussion on what Gamdle is and if people want to have an event for it.
  - Dues Reminder.
  - Upcoming events
    - Open Lab?
- Expanding CIF services.
  - Basically, we wanted to add some services that CIF provides to members!
  - Websites
    - University may have an issue if not internally
    - I will ask IT.
  - File Storage
  - Roundtable
  - Nextcloud?
- Meeting was Adjourned to February 9th, 2026.
