

Computer Interest Floor

Floor Meeting!
March 22nd, 2026
Anderson Tower, Floor 3.

- It do be time for floor Meeting :)
- Upcoming Events
 - Multiprocessor Tech Seminar
 - This upcoming Thursday at 8 PM in Douglass 407
 - We'll be talking about MPI, Multiprocessor architectures, and a little bit about how to use our large-scale cluster, Roundtable!
 - Open Lab
 - As ever, on Saturdays at 7 PM, in the CIF Lab.
 - Board Game Night
 - This Saturday, at 8 PM, on the 3rd floor of Anderson!
- Thank you to everyone for participating in the Special election last week!
 - Congratulations to Stephen DeBenedittis for winning the election, and for becoming the Junior Tech Director for the 2026-2027 academic year!
- Housing Contract!
 - Everyone should have gotten an E-Mail about filling it out.
 - It is in StarRez (I know, I hate it too)
 - DO IT
 - It is required to live on floor, and must be filled out before Friday!
